

CITY OF PONCA
APPLICATION FOR SEWER HOOKUP

Every person or persons desiring to tap into the city sewer must make an application therefore to the City Clerk upon the form to be furnished for that purpose. The sewer main may not be tapped to service any private pipe except upon the order of the Utility Superintendent. The customer's licensed plumber taps and runs the sewer line to City specifications with the city inspection required to confirm work meets specifications at a cost of \$375.00. Nothing herein shall be construed to obligate the City of Ponca to provide access to sewer mains to non-residents.
